

This is to certify

Pioneer Design and Build Limited

have a tree planted within the Adecco grove, situated within Glen Affric in the Caledonian National Forest, Scottish Highlands.

Your tree will form part of the Trees for Life conservation project of rewilding the natural environment and will grow into a haven for wildlife, which will be here for future generations.

Kate Garbett
*Vice President of Adecco Small & Medium
Business, Adecco and Office Angels*
